

SHOULD I OUTSOURCE THIS?

Is it worth outsourcing? There are many misconceptions about how and when to successfully outsource a task or project. Should you outsource something that you can have someone else do for less per hour than you make? Should you outsource a task you love? Below is a simple flow chart to help you decide what (and when) to outsource.

WANT A BUSINESS THAT CREATES FREEDOM?

If you're serious about breaking free from the trap that will kill both your passion and freedom, then you **MUST** take action!
